CONGRESS ATTENDANCE

An audited count of the registrations at the Second International Congress on Medical Librarianship reveals that 1,015 persons attended.

From the United States, 806 persons registered. Of these, 543 were full-time registrants and 263 registered for less than a full week.

The number of foreign registrants was 209. The largest delegation was that from Canada, with 52 registrants. Great Britain had 37 librarians registered, 31 being from England, four from Scotland, and one each from Wales and Northern Ireland.

The Japanese delegation numbered eight; there were seven from Colombia, and Germany and The Netherlands had six each.

There were four delegates from each of the following countries: Australia, Chile, Italy.

There were three delegates from each of the following countries: Argentina, Finland, France, Guatemala, India, Malaya and Singapore, Mexico, Union of South Africa, Sweden, Uruguay, Yugoslavia.

Two delegates came from each of the following countries: Belgium, Brazil, Indonesia, Israel, Kuwait, Nigeria, Peru, Philippines, Puerto Rico, Switzerland, Thailand, Turkey.

The following countries each sent one member: Bulgaria, Canal Zone, Costa Rica, Ecuador, Ethiopia, Ghana, Honduras, Hong Kong, Hungary, Iran, Iraq, Lebanon, Netherlands Antilles, New Zealand, Norway, Pakistan, Panama, Paraguay, Poland, El Salvador, Senegal, Spain, Uganda, Venezuela.

CLEARANCE

The National Library of Medicine has copies of the following publications to offer to libraries. Please direct all requests to Publications Clearance, National Library of Medicine, Bethesda 14, Maryland.

Bibliographies published by NLM

The pituitary-adrenocortical function 1940-1950. 1950.
366 p. 3,447 refs. Annotated

Plasma substitutes 1940-1951. 1951.
141 p. 888 refs. Annotated

Pathology and physiology of burns 1942-1951. 1952.
107 p. 611 refs. Annotated

Bibliography of military psychiatry 1947-1952. 1953.
39 p. 545 refs.

Bibliography of military psychiatry 1952-1958. 1959.
83 p. 736 refs. (PHS Pub. No. 693)

Gas gangrene and gas gangrene organisms 1940-1952. 1953.
73 p. 324 refs. Annotated

Military medicine. 1955.
938 p. (Reprinted from Index-Catalogue, 4th ser., v. 11)

The structure, composition, and growth of bone 1930-1953.
1955. 190 p. 2,970 refs. Annotated

Cancer chemotherapy; a bibliography of agents 1946-1954.
Forms Pt. II, v. 16, no. 10 (Nov. 1956) of Cancer Research

Psychopharmaca 1952-1957. 1958.
258 p. 2,500 refs. (PHS Pub. No. 581)

Guide to Russian medical literature. 1958.
89 p. (PHS Pub. No. 602)

Fungus infections 1952-1958. 1959.
90 p. 942 refs.

Caricatures. 1959. 24 p.
A selected list of 288 caricatures in the NLM collection.

Leptospirosis 1957-1959. 1959.
39 p. 319 refs.

Staphylococcal infection 1958-1959. 1959.
29 p. 285 refs.; supplement to Staphylococcal infection 1952-1958, now out of print

Biological effects of non-ionizing radiation... 1916-1959.
1960. 18 p. 182 refs (English).

Notable contributions to medical research by PHS scientists.
1960. 96 p. (A biobibliography to 1940; PHS Pub. No. 752)

Physiologic involution in normal aging man 1956-1960. 1960.
29 p. 193 refs. Annotated

Salmonella; salmonella infections 1955-1960. 1960.
40 p. 755 refs. (PHS Pub. No. 803)

Toxoplasmosis 1956-1960. 1960.
15 p. 300 refs.

Pulmonary mycotic infections 1957-1961. 1961.
28 p. 350 refs.
Russian surgical staplers. 1961.
41 p. 136 refs. Annotated (PHS Pub. No. 871)
The first catalogue of the Library of the Surgeon-General's Office, Washington, 1840. 1961. (Facsimile edition, 14 p.)
Biomedical serials 1950-1960; a selective list of serials in the National Library of Medicine, 1962. (PHS Pub. No. 910)
Index-Catalogue. 3d Series. 1918-1932. 10 v.
Index-Catalogue. 4th Series. 1936-1955. 11 v.
Index-Catalogue. 5th Series. 1959-1961. 3 v.

English translations of Russian works (dates given are dates of publication of the originals)
Trudy Instituta Vysshei Nervnoi Deyatelnosti [Works of the Institute of Higher Nervous Activity]
Physiological Series v. 3-5, 1958-60.
Pathophysiological Series v. 1-6, 1955-59.
Voprosy Radiobiologii
v. 1-3, 1956-60.
Voprosy Psikhiatrii i Nevropatologii
v. 1, no. 3, 1958.
v. 2, no. 4, 1958.
